

# Kiskanu Cannabis Face Oil FAQ

**INGREDIENTS?** virgin cold-pressed oils (sunflower, argan, coconut, jojoba), cannabis, calendula, rose geranium, lavender, wild carrot. All ingredients are organic when available. Wild carrot is foraged. **Contains Coconut.**

**INSTRUCTIONS?** Bring to room temperature. Shake well. Dispense desired amount of oil into your palm and gently massage into your cleansed face and neck. **May Stain.**

**SUGGESTED USE?** We suggest using Cannabis Face Oil as a daily moisturizer on cleansed skin, as a makeup base, for makeup removal, deep moisture, inflammation, muscle tension, muscle spasms, beard oil, and anywhere else on your body that needs some extra attention, etc.

**WHO?** Everybody! Good for all skin types and sensitive skin. Recommended for all people.

**EFFECTS?** You will likely feel effects within 15-20 minutes, and they may last up to 3 hours.

**STORAGE?** Keep in a cool dark place, Face Oil will solidify if it becomes too cool (bring to room temperature to liquify). Keep out of direct sunlight. May last up to two years (product will smell rancid when expired).

**ORGANIC?** Wild carrot seed is wild-crafted, cannabis is laboratory tested to parts per billion. All other ingredients in our Face Oil are Certified Organic. Our final products are all third party laboratory tested to parts per billion for heavy metals, pesticides, mycotoxins, potency and residual solvents (to California cannabis standards).

**PSYCHOACTIVE?** You will experience little to no psychoactivity. Always start with a small amount and work up to larger doses.

**GLUTEN FREE?** YES!

**VEGAN?** YES!
